Minority Supplier  
Development Council

## Post Construction

CSI has over 12 years of experience in the specialized techniques that are required for post construction cleaning.

## General Labor

You can have access to a managed experienced team that gives you a higher level of service at a reduced cost.

## Commercial Janitorial

We have a dedicated staff for commercial cleaning that provides long term professional polish to your place of business.

## Residential Construction

Our expert team provides post construction and renovation cleaning that conveys the perfect final finish to your home.

## About Us

CSI is MBE certified and the leader in construction cleaning, general labor and commercial janitorial for over 12 years. CSI founder, Maurice Williams is the Co-Chairman of the Steering Committee of the Nevada Contractor's Association Diversity & Inclusion Council. He has served the board exhibiting leadership and dedication to those members looking to advance their business opportunities. CSI understands that every project is unique and requires maximum attention. Our specialized teams and methods accommodate the needs of every project accordingly. We have the skilled technicians, experience and equipment to quickly and efficiently get the job done.

## Our Advantages

It is the tireless efforts of Mr. Williams that sets apart his group to be an industry leader. That is why the top construction groups and major casino organizations in Nevada consistently look to him to support their projects, regardless of scope or complexity.

**We are a trusted partner providing construction cleaning on millions of sq. ft. of casino space on the strip.**

**New home contractors count on us to make the perfect impression on new home owners.**

**Our commercial team provides long term quality professional polish to your place of business.**

# Together We Can Do More

We are proud to partner with the leaders of Las Vegas construction. We have a long history of working with developers, general contractors, builders and business owners.
